Hey Cubs! Interested in entering a History contest? If so, check out the information below and stop by **Mrs. Bailey's Room 103 on Thursday** to get on the communication list.

What is National History Day in Idaho? During the school year, Idaho students create one of the five types of projects (historical paper, documentary, performance, exhibit, or website) and register to compete at the local level. Local winners then can move on to the state contest to compete with students from all across Idaho! State contest winners have the opportunity to compete at the national level with peers from all over the country! Visit <https://www.nhd.org/> for more information about the National Contest.

The lost and found is over- flowing with clothing and other miscellaneous items. Please take your items home, and please do not use the lost and found to store your things. **All items will be donated on Jan. 26.**
